Let Us

Keep your File Up to Date

The tables in this Year Book are some of the regular sheets issued in our STATISTICAL SERVICE.

Every day, every week, or every month, as the case may be, we issue a sheet punched ready for filing, which keeps the facts up to date.

Let us quote you a price for our regular service on any of these compilations, or better still on the Complete Canadian or Complete Canadian and Foreign Service, with either of which we supply on loan a leather binder, properly indexed.

Write or wire us for anything you want to know about Canadian Grain.
